

CLUB 70 NEWSLETTER - SEPTEMBER 18, 1973

V.D. CLINIC

We wish to thank all those participating in the V.D. Clinic tests. It seems to have served a very useful purpose with four positive cases being caught in the first clinic. The second clinic results were all negative.

HALLOWEEN -OCTOBER 27, 1973

The Halloween Activities will be held on the above date due to October 31st falling in the middle of the week. Further details on the activities themselves will be forthcoming.

FINANCIAL STATUS

The financial status of the Club remains approximately the same. The bank balance is better than \$3000.00 with \$1500.00 being in term deposit. We have also completed most renovations and are entering a period of increased attendance.

FRIDAY BEER NIGHTS

The Friday Beer Nights are proving to be an asset to the Clubs attendance. Remember members are \$3.00 and non-members are charged \$4.00. This is a good chance to have all the beer you can drink, visit with your friends and dance. Support these activities and they are bound to prosper and increase.

BUTTS ON FLOOR

They are damaging to the floor and an additional item to clean. This is your Club. Lets try to keep it clean. We have ashtrays and if there is not one in your immediate vicinity do not be afraid to ask at the bar for one. Our janitors will love you.

LIQUOR CLOSE-OFF REGULATIONS

We have been advised that due to our increased liquor permits we will from time to time receive liquor checks. We must have all liquor taken from the tables at 1:30 P.M. (including that in plastic and styrofoam cups). When the liquor laws are changed in the next year we would like to increase our permits. Our ability to conform to the present regulations would only be an asset in our case.

BAND OCTOBER 6, 1973

The band will be the Equal Trend. The Club will open at 8:30 P.M. The members of the Equal Trend are; Arnie Mackowosky, Bruce Goebel, Rick Taylor and Howard McKay. This is a long weekend and will be attended by members of the Western Gay Clubs Conference. Plan to Attend.

CONFERENCE - REQUEST FOR BILLETS

We are requesting your help in providing accommodations for billets for the upcoming conference. Please advise the front door of your help if you can provide such. We would like to know how many you would be able to accommodate, as soon as possible so we may finalize other arrangements.

WORK BEE

There will be a work bee held at the Club on the evenings of September 25 and 26th. This is basically a painting function. We would like to finish the painting of the furniture for the lounge area. The walls in the main entry require a new coat of red paint. We also would like to build a lowered ceiling over the bar with a cedar shingle front. We have had work bees in the past month with very little participation. Lets get out, Get these items cleaned up so when we host the conference we will have something to be very proud of. Seven o'clock is the time and the Club is the place.

EDITOR CLUB NEWS

Again we are still without an Editor. Could we have some suggestions or volunteers to fill this important task. Submit your application to the Box Number or see one of the Board Members at the Club.
